

Jack and Zak's Song

My name is Jack. My brother's Zak.
We are roommates. We get on great!

CD トラック4 (ショートバージョン)
の歌詞

But then one day, Zak draws a line.
"That side is yours, This side is mine."

And then one day, When I come back.
I am attacked By a robot cat.

He grabs me high. I grab him low.
He grabs my ear. I grab his toe.

We scream and yell. Mom gets so mad.
"Go straight to bed! I'm telling Dad!"

My name is Jack. My brother's Zak.
We are roommates. We DON'T get on great.

And then one night, I see red eyes!
Oh, I'm so scared! I start to cry.

Then I hear Zak, He says to me,
"Come over here, And sleep with me."

My name is Jack. My brother's Zak.
We are roommates. We get on great!
